# Glacier

High Gloss Cashmere

The elegance of Cashmere is shown off with a modern approach to styling. Feature doors above the bed give additional storage and a curved door completes the look of this design.

# Glacier

High Gloss White  
& Metallic Champagne

White and Champagne create a sparkling combination. Made to measure angled doors help to utilise all the space in this loft conversion.

# Glacier High Gloss Jasmine

Wake up to the calm colour of Jasmine.  
Full length mirrors and dressing table will  
ease you into a bright new day.

# Glacier

High Gloss Light Grey & Graphite

A modern home office using shades of grey. The cool Light Grey is highlighted with Graphite shelving and workspace.

# Glacier MFC Boston Concrete

The industrial look of concrete is softened with contemporary LED lighting within the feature space around the wardrobes. The media unit is floated to compliment and complete the design.

# Glacier

Super Matt White & Fjord

Matt White gives you a blank canvas to add a splash of colour with the pastel blue shade of Fjord. Made to measure doors make it easy working with traditional features such as chimney breasts and high ceilings.

# Glacier

Super Matt Light Grey

A striking combination, mixing both colours and textures. The smooth Matt Light Grey is framed with Pasadena Pine.

# Glacier

Super Matt Stone Grey  
& Cashmere

A dressing room where designer colours  
complement designer accessories.  
Glass and mirror add luxury to this design.

# Glacier

Super Matt Graphite

Modern styling, with a solid block design, clean lines and a smooth matt finish. A minimal look used to maximum effect in Graphite.

# Matfen

## Dust Grey Oak & Light Grey Oak

Matfen is a versatile door range which will work with any colour combination and design.

# Hampton

## Matt Mussel

The classic four panel design makes Hampton the choice of interior designers. The painted look and warmth of the Matt Mussel sits well with Grey Bardolino oak. The bookcase shelving allows the option to personalise your room.

Glendale Pale Cream

For individually shaped rooms, the classic simplicity of Glendale creates a perfectly fitted environment with its own personality.

# Rialto Matt Cashmere

Rialto's linear design is complimented with the delicate Cashmere colour. The texture of the Graphite Grey Fleetwood creates a striking focal point of the media unit.

# Shaker

White Avola

A classic room with a fireplace and bay window is brought up to date with a contemporary Shaker style in the White Avola woodgrain. The curved doors create a unique flowing design making all your space easily accessible.

## Melbury Lyon

Features such as fretted window panes, mirror doors and thick pillars combined with the opulent woodgrain of Lyon gives the essence of grandeur in this setting.

# Chester White Oak

The painted White Oak effect is perfect for creating the coastal theme. The subtle door contours help accentuate the sense of calm and tranquillity.

# Harmony

Lissa Oak

Perfect harmony with the timeless appeal of Oak matched with a contemporary door design.

# Eclipse

White Text

Let your vibrant colours be reflected in full length mirrors, in the simply stated cool white doors.
